

**Democracy for Monroe County (DFMC) is a grassroots political action committee dedicated to supporting progressive policies at the local and state levels, and candidates who support those policies. DFMC is part of a nationwide coalition of grassroots groups allied with Democracy for America. We meet every first Thursday of the month.**

**For more information about DFMC, please visit our website at [www.democracyformonroecounty.org](http://www.democracyformonroecounty.org), our facebook page at <https://www.facebook.com/democracyformonroecounty>, or e-mail us at [info@democracyformonroecounty.org](mailto:info@democracyformonroecounty.org)**

## IS DEDICATED TO

- **Instilling into politics a progressive influence based on true American values of equal opportunity and justice for all;**
- **acting in alliance with other progressive groups in order to promote policies that will bring us a strong community, broad prosperity, effective government, free and public education, universal health care, and a better future;**
- **challenging any candidate or elected official who fails to move our community toward the goals outlined above; and**
- **finding socially and economically progressive candidates among ordinary citizens who have been empowered through education, training, and political action to participate more in our government at all levels.**
