

HISTORY UNDERGRADUATE STUDENT ASSOCIATION

HUSA is a student organization that seeks to **build community** within Indiana University's history department. We host formal and informal events to provide students with **professional, educational, and social opportunities**. Members need not be majors! We also welcome history minors and other students outside the department who are interested in the discipline.

Beyond the larger virtual events we have in the works for the 2020-2021 schoolyear, HUSA is prepared to host a variety of types of events! Here are just a few:

Research presentations

Help with scheduling classes

Final paper workshops

Career/internship/grad school workshops

Informal history discussions

Trivia nights & movie watch parties
